

PUBLIC OPEN HOUSE

Markham Agricultural Assessment Study

Markham residents are invited to attend an Open House and Public Information Session about Phase 1 of the Markham Agricultural Assessment Study.

This Open House gives you an opportunity to speak informally with staff and consultants about the status and future of agriculture in Markham and how this fits with the objectives of the Provincial Growth Plan and the Provincial Greenbelt Plan. Your input and recommendations will help guide a long-term plan for agriculture as part of Markham's Growth Management Strategy.

Wednesday, October 29, 2008
Canada Room
Markham Civic Centre
101 Town Centre Boulevard, Markham

Open House: 6:30 – 9:00 pm
Presentation: 7:00 pm

A copy of the Phase I Draft Background Report will be posted on the Town's website (www.markham.ca). If you are unable to attend the Open House, you can still provide comments on this phase of the study until November 28, 2008 by contacting:

Lilli Duoba, Senior Project Coordinator
905-477-7000 ext. 7925
