Help Prevent Pool Fouling in 4 Simple Steps

- Please do not feed children 1 hour prior to their swimming lesson,
- Please be sure to take your children to the bathroom just prior to their swimming lesson,
- Please ensure that all children who are not toilet trained are in appropriate attire. Suitable items can be purchased at the pool counter,
- Please take into consideration how your children are feeling on the day of their lesson.

Pool foulings will result in delays in programming and pool shut downs. We appreciate all of your help in keeping Markham pools clean and safe.

NOTE: It is preferable that participants attend all lessons in their level. However, candidates will be accepted even if it is not possible. It should be noted, however, that participants attending all lessons will progress faster than those unable to do so. (Sorry, there are no make up classes). Sorry, we are unable to accommodate unattended children on the pool deck. Please remove all outdoor footwear when accompanying your child to their lesson.

Change Room Age Requirements

Children 7 years of age or older are required to use the change room of their own gender. If this is not suitable, please see facility staff so that appropriate accommodation can be arranged. Family Change Rooms are available at Angus Glen Pool, Centennial Pool, Thornhill Therapeutic Pool. Sorry, there are no family change rooms at Milliken Mills Pool.

Screening For Aquatic Levels

Unsure of the appropriate level? If your child has learned to swim without instruction or has been out of lessons for a year or more - request a screening from the supervisor at the start of any scheduled recreational swim.

Pool Rental

For more information regarding pool rentals, birthday parties and other events, please call the Customer Service Representative of your local pool.

Admission Policy

- **Children age 6 and under:** maximum 2 children per caregiver. Caregiver must be in the water and within arms reach.
- **Children age 7 to 9:** can swim alone provided they meet the minimum height requirement (4'3") and can swim 2 widths of the pool.
- For non-swimmers (those unable to pass the facility swim test) the ratio of non-swimmers to caregivers may be increased to a maximum of 6 bathers to one caregiver if PFDs are worn by all non-swimmers in their charge.
- **Children age 10 and over:** can swim alone.
- A **caregiver** is a person 15 years of age or older; a **senior** is a person 65 years of age or older (ID may be requested).
- A **family** is defined as adults, plus children 15 years of age and under. (maximum 6 people, up to 2 adults per family)
