## THE LEARNING PLACE

At Markham Public Library you can participate in a variety of learning opportunities. Programs and workshops are designed to help you learn a new skill, discover a new passion and make informed choices. Whatever your interest, explore it at the library!

### STORYTIMES

Learning starts at birth! The early years are a powerful time to teach children to be readers for life. At storytime you'll enjoy books, stories, songs, rhymes, fingerplays and activities that address the developmental needs of your child in an environment that encourages the joy of reading and learning. MPL's librarians provide parents and caregivers with techniques and activities to build on the storytime experience.

Storytimes are free. There's no need to register ... just drop in and enjoy!

All storytimes start the week of April 12.
