A Major Official Plan Amendment and Zoning By-law Amendment application was received from 2627597 Ontario Inc. (Reza Ehsani) c/o Goldberg Group (Adam Layton) for the property municipally known as 7079 Yonge Street. The application will facilitate the redevelopment of the existing one-storey commercial building into a 45-storey mixed use building including a 3 to 5 storey podium with 568 apartment dwelling units and 391 square metres of non-residential gross floor area (GFA) at grade. The overall development will have a total GFA of 42,241.22 square metres, at a Floor Space Index (FSI) of approximately 18.8 times the net land area. A total of 111 parking spaces are provided within three levels of underground parking.

A Site Plan Control application has been received from Curated North Inc. (Jesse Speigel) c/o MHBC Planning Limited (David McKay) for 17-23 Morgan Avenue (the "Subject Lands"). The application will facilitate the development of a 44-storey residential building, where 1.5 percent of the units are provided as affordable housing. The development will have a total gross floor area (GFA) of 36,950 square metres, at a Floor Space Index (FSI) of 14.7. It will have a total of 553 residential units, 239 parking spaces within 5 underground levels, 549 bicycle parking spaces and 959 square metres of indoor and outdoor amenity space.

This application is associated with Official Plan and Zoning By-law Amendment Application PLAN 22 265093 which was appealed to the Ontario Land Tribunal (OLT-23-000720) in July 2023. An Interim OLT Order issued on September 26, 2024.

A Minor Official Plan Amendment and a Major Zoning By-law Amendment application has been received from Tous Group (Reza Shamsipour) c/o Simon Yee (Arcadis Professional Services (Canada) Inc.) for the property municipally known as 151 and 155 Henderson Avenue. The application will facilitate the redevelopment of the two existing single-detached dwelling units into a ten-unit residential development comprising eight townhouse units and two semi-detached units. The overall development will have a total gross floor area (GFA) of 2,697.5 square metres, at a density of 29.25 units per hectare or a Floor Space Index (FSI) of 0.79 times the land area. It will have 20 residential parking spaces and 3 visitor parking spaces.

# DEFINITION OF APPLICATION TYPES

## **Official Plan Amendment**

The process through which changes are made to the City's Official Plan. A document, containing policies which guide the future development of land in Markham. The Official Plan also includes a framework for establishing regulations and standards for land use and contains policies on how the City will manage growth.

## **Zoning By-Law Amendment**

The process through which the City guides and approves changes to how lands are used for specific purposes. The process also addresses related development standards such as property setbacks, building height, and parking.

## **Plan of Subdivision**

The process through which the City guides and approves the design and layout of building lots and roads (neighborhoods).

## **Site Plan Control**

The process through which the City guides and approves the layout of building elevation, landscape and site circulation.

## **Condo**

The process through which the City guides and approves the development of condominiums.
