

Markham Cycling Day

Ride with GPS App — Quick Start Guide

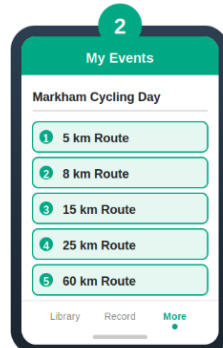

Welcome! This guide shows you how to download the **Ride with GPS** app and find your Markham Cycling Day route on your phone. Routes are now live — download them ahead of time so you can ride offline on event day.

Download the App

STEP 1 — Download the App & Create an Account

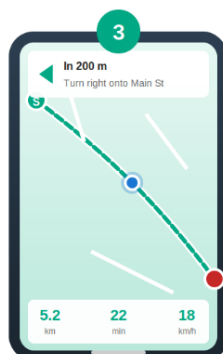

- Search **Ride with GPS** in the App Store (Apple) or Google Play and install it.
- Open the app and tap “Create New Account”.
- Already have an account? Just sign in.

Pick Your Route

STEP 2 — Join the Markham Cycling Day Event

- Tap the [2026 Tour Routes \(All\)](#) on main event page. Sign in when prompted.
- Refresh app for see “Events” icon on home page.
- Tap on it to see “Markham Cycling Day 2026”
- Choose a route from the list below.

Ride & Navigate

STEP 3 — Navigate or Download for Offline Use

- **Start riding:** Tap your route, then tap “Navigate” in the bottom left. The app follows you turn by turn.
- **Save for offline use** (do this on Wi-Fi before event day): tap “Save” → “Download for Offline” → “Library” (Routes)
- Select your route to begin navigation saved in your library
- Always ride in the direction shown on the route — reversing it will affect navigation prompts.

TIP

Download routes before event day

Use them offline — no data needed!
