BY-LAW 211-83

**A By-law to prescribe a Tariff of Fees for the
Processing of Planning Applications**

THE COUNCIL OF THE CORPORATION OF THE TOWN OF MARKHAM HEREBY ENACTS AS FOLLOWS:

1. That pursuant to Section 68 of The Planning Act, Chapter 1, Statutes of Ontario, 1983, the Tariff of Fees for Processing Planning Applications, as shown in Schedule 'A' attached hereto, is hereby adopted.
2. The payment of application fees is to be made in accordance with the following:
 - (a) Official Plan Amendment, Secondary Plan Amendment, Zoning By-law Amendment, Site Plan Control Applications – At the time of submission of the application.
 - (b) Subdivision Applications – the application fee to be paid prior to a staff report being submitted to Planning Committee; the remaining fee to be paid upon execution of the subdivision agreement.
 - (c) Condominium, Minister's Order Applications – Prior to a staff report being submitted to Planning Committee.

(Amended by By-law No. 100-84)
 - (d) Committee of Adjustment – At the time of submission of the application.

(Amended by By-law No. 226-83)
3. Notwithstanding the above provisions, Council may waive the requirement for the payment of a fee(s) or reduce the fee(s) in respect of an application(s) as Council deems reasonable.

4. Validity

In the event any part of this by-law is held to be illegal or void, this shall not have the effect of making illegal or void any of the other parts or provisions thereof which may or shall be determined to be legal.

READ A FIRST AND SECOND TIME THIS 16TH DAY OF AUGUST, 1983.
READ A THIRD TIME AND PASSED THIS 16TH DAY OF AUGUST, 1983.

TARIFF OF FEES FOR PROCESSING OF PLANNING APPLICATIONS GENERAL TERMS

1.0. Acceptance

- 1.1. Fees shall only be accepted in conjunction with the filing of an application containing all submission requirements as determined by the Director of Planning and Urban Design or designate and/or Director of Engineering or designate.
- 1.2. Applicants shall not be permitted to “pre-pay” application fees upon submission of an incomplete application in order to lock in fees and avoid future fee increases.

2.0. Calculation

- 2.1. For each development application type, fee shall be calculated, and may include Development Application Fees, Supplementary Fees, and Miscellaneous Fees as listed in this by-law. Unless otherwise stated, fee subsections ending in roman numerals (ie. i), ii), iii), etc) form part of the overall subsection fee, and shall be applied cumulatively with the other fees ending in roman numerals within that subsection.
- 2.2. Fees shall be calculated at the rate in effect on the date paid. Applications for which fees have been paid in part, prior to the effective date of this by-law, shall be required to pay any additional fees established by this by-law.

3.0. Payment

3.1. Fee Payable in Stages

- 3.1.1. Unless otherwise noted, fees are payable at time of application.
- 3.1.2. Subject to 3.2.1., where the application fee is payable in stages, the fee owing at each stage shall be the fee, for such stage, in effect on the date the payment is made.
- 3.1.3. Where payment in full of all fees applicable to an application has been made, no additional fee, where established by this by-law, shall be payable.
- 3.1.4. Other City of Markham fees may be applicable.

3.2. Adjustment

- 3.2.1. *Fee adjustments are made to reflect increases including, but not limited to, the following:*
 - total number of Units/Lots/Parcels
 - total GFA/Land Area
 - Scope of Construction Works.
- 3.2.2. *Adjustments to the total fee payable will be required at each payment stage based on the rate in effect at the time of payment stage.*

4.0 Reimbursement

- 4.1 Fees shall be reimbursed upon applicant withdrawing the application, as determined by the Director of Planning and Urban Design or designate and/or Director of Engineering or designate:
 - 4.1.1 Refund percentage is based on all fees received.
 - 4.1.2 HST refund is calculated based on percentage of fee to be refunded.
 - 4.1.3 Refund percentage (%) is based on the application stage as follows:

4.1.3	.1	Prior to circulation of application	75%
4.1.3	.2	From circulation to completion of preliminary report and/or holding of a public meeting, if required	50%
4.1.3	.3	Prior to Committee receiving recommendation report and/or prior to Site Plan Endorsement (N/A for Committee of Adjustment Applications)	25%
4.1.3	.4	After Site Plan Endorsement and/or after Recommendation Report/Memorandum received by Committee	No refund

Notes:

- a) For all application fees calculated, add HST as applicable
- b) All cheques shall be payable to “City of Markham”
- c) For assistance contact the Development Services Commission, 101 Town Centre Boulevard, ON L3R 9W3 | Phone: (905) 475-4861 | E-mail: dsc@markham.ca

DEVELOPMENT APPLICATION FEES

Table 1: Application for Pre Consultation		Rate	
1.1	Pre-Consultation ⁽¹⁾	\$791	Per Application

1. Fees do not apply for single detached, semi-detached, or townhouse dwellings that are located within a Heritage District, or otherwise require Heritage approval, to the satisfaction of the Director of Planning and Urban Design, or their Delegate.

Table 2: Official Plan/Secondary Plan Amendment		Rate	
2.1	Minor Amendment ^{(1) (2)}	\$31,192	Per Application
2.2	Major Amendment ⁽³⁾	\$82,797	Per Application

1. Unless authorized by the Director of Planning or their Designate, an Official Plan or Secondary Plan Amendment application shall be deemed to be Major
2. Minor Official Plan Amendment means an amendment that:
 - a. Proposes a small-scale exception to a specific Official Plan Standard (e.g. Minor changes to the number of permitted units; building height; gross floor area; or to add a site-specific use limited in scale);
 - b. Proposes a minor change to a specific policy that is limited in scope and typically to one property;
 - c. Maintains the intent and purpose of the Official Plan;
 - d. Shall have limited impact or policy implications beyond the subject lands; and
 - e. Is authorized by the Director of Planning and Urban Design, or their Designate.
3. Major Official Plan Amendment means an amendment that:
 - a. Any proposed re-designation or change in land use for a property(ies)
 - b. Requires many changes to the policies and schedules of the Official Plan
 - c. Is more significant in scale and scope than a minor Official Plan amendment, and which may have a greater impact or policy implications beyond the subject lands. Applications related to more than one property would normally be in the category;
 - d. A site-specific application representing a large-scale development/redevelopment or a change in use. An application involving significant changes to the text or policies of the Official Plan would also fall in this category.

3.1	Minor Amendment ^{(1) (2)}	\$28,916	Per Application
3.2	Major Amendment ⁽³⁾	\$58,167	Per Application
3.3	Removal of "H" (Holding) Provision	\$9,773	Per Application

1. Unless authorized by the Director of Planning or their Designate, a Zoning By-law Amendment application shall be deemed to be Major.
2. An application for minor and small scale zoning amendment having no significant impact on adjoining lands as determined by the Director of Planning and Urban Design. Minor applications must be site specific and include:
 - a. Request for additional permitted use within an existing building, or a request to expand an existing building with no significant impact on existing development standards;
 - b. Changes in development standards to accommodate a residential severance to create one single

detached lot within an existing subdivision;

- c. An application for a temporary use
- 3. An application that is not deemed to be minor by the Director of Planning or their Designate, a Zoning By-law Amendment application shall be deemed to be Major. Major applications include applications more significant in scale and scope than a minor zoning amendment, and which may have greater impact beyond the subject lands. Major applications include:
 - a. Applications relating to more than one property;
 - b. A site specific application if considered to be redevelop a site;
 - c. A change in use within a new development and/or a change in the zone category;
 - d. Any application involving significant changes to the development standards or general provisions of the by-law.

DEFINITIONS

COMMITTEE OF ADJUSTMENT

Development Standards: Any requirement of a zoning by-law other than permitted use (i.e. yard setbacks, building height, lot coverage).

Technical Variance: A minor variance related to an existing building or structure, but requires variance approval due to one or more minor siting errors. Determination of whether or not a variance is a Technical Variance is at the discretion of the Director of Planning and Urban Design, or designate.

Use: Any requirement of a zoning by-law related to the types of uses permitted on a property.

CONDOMINIUM, PLAN OF

Amalgamated Condominium: A plan of condominium where two or more condominium corporations merge into one corporation.

Common Element Condominium: A plan of condominium that consist only of common elements (e.g. a laneway or a golf course), with no individually owned units. The owners of the common elements are owners of freehold parcels of tied land (POTLs) which are not part of the condominium property.

Leasehold Condominium: A plan of condominium where individually owned units and common elements are leased by the landowner to purchasers who will never own the land. The purchasers buy a leasehold interest in the units and common elements for a fixed number of years.

Phased Condominium: A form of Standard Condominium (*see above*) that permits individually owned units and common elements to be added to a condominium corporation in phases, over a maximum of ten (10) years.

Standard Condominium: A plan of condominium that consists of both individually owned units and common elements. Note that all condominiums that existed at the time that the *Condominium Act, 1998* came into effect are deemed Standard Condominiums.

Vacant Land Condominium: A plan of condominium where individually owned units are effectively vacant lots upon which buildings will be located after the condominium is registered.

ENGINEERING

Construction Management Plan: Technical plan that shows how construction works for a proposed development will be managed. The plan shows surface encroachment (e.g. vehicular lane, sidewalk, signage, utilities, trees and municipal easements), storage/loading areas, dewatering equipment, aerial/crane encroachment, vehicular and material access points, hoarding, traffic management, and possible impacts on properties (noise/vibration mitigation and construction condition surveys).

Engineering Plans: Technical plans that show sanitary, water and stormwater servicing schemes, grading, utilities location, erosion and sediment controls, shoring and construction details of the proposed development.

External Works: Means works that include but are not limited to sanitary and storm sewer connections, manholes, water service, driveways, sidewalks, boulevard treatment and other road works (Pavement, curbs, catch basins and their leads, hydrants, streetlighting, hydro poles, traffic controls).

Internal Works: Means works that include but are not limited to curbs, pavement, retaining walls, grading, water mains, sanitary sewers, storm sewers, manholes, catch basins and their leads, erosion and sediment controls and on site storm water management facilities (e.g., Oil Grit Separators (OGS), storage facilities, chambers, infiltration trenches/chambers, soakaway pits and bioretention systems).

Public Communication Plan/ Report: Outlines the planned public communication process and actions to inform the travelling public, project stakeholders, emergency response agencies, and directly impacted businesses and local residents about the planned construction activities and changes to traffic operations due to proposed temporary road closure and alterations and disruptions to traffic necessary to safely complete construction of proposed development, municipal services and roads. The Plan/Report may consist of any of the following elements: notices to the impacted residents, businesses and travelling public placed in print media, project road signs including detour routes, changeable message signage, notices to the public placed

on Internet web pages, brochures, direct mail outs to impacted businesses and local residents, and public meetings. The Plan is modified throughout the project life cycle to address issues as they arise.

Residential Service Connection: A watermain, sanitary sewer or storm sewer that connects from a residential house/unit to a municipal watermain, sanitary sewer or storm sewer.

Site Alteration: Includes but not limited to, the removal of topsoil from land, placement or dumping of fill on land, the alteration of the grade of land or excavation by any means including the removal of vegetative cover, the compaction of soil or the creation of impervious surfaces, or any combination of these activities that would change the landform and natural vegetative characteristics of the land.

Shoring Encroachment and Hoarding Plan: Technical plan that shows the design and installation of a shoring system consisting of piles and tie-back system, location of the utilities/services and hoarding, and any significant features pertinent to the municipal right-of-way encroachment, to facilitate the construction of underground and aboveground structures that are close to or within the municipal right-of-way. This plan helps ensure construction works do not impede pedestrian and vehicular traffic in any significant manner and do not impact any underground and aboveground utilities or infrastructures.

Traffic Management Plan: Shows how the alterations and disruptions to traffic caused by the construction activities of the proposed development, servicing infrastructure, or road shall be mitigated and managed.

Water Supply Analysis Report: Provides detailed design for a water supply distribution system including mitigation measures to ensure adequate water supply flow and pressure for the proposed development.

GENERAL

City: The Corporation of the City of Markham

Committee: Committee is a group of individuals appointed by Council, such as the Development Services Committee (DSC), Markham Heritage Committee, Committee of Adjustment or any other sub-committee; with a specific function to review, comment and/or approve the related development applications.

Heritage: Heritage designated building (Part IV designation) or any building located within the boundary of a Heritage Conservation District (Part V designation).

ICI: Institutional, Commercial, Industrial

Townhouse Siting: Review of the design aspects of townhouse blocks and ensures appropriate building placement and elevation treatments for specific townhouse blocks.

Gross Floor Area (GFA) of Building(s): Defined as the total floor area (inside the building envelope, including the external walls, and excluding the roof) above and below grade less area dedicated to underground parking or associated parking structure.

Underground Parking and/or Associated Parking Structure: A building, or part thereof used for the parking or storage of motor vehicles
