RE: Application by York Region District School Board (Bryan Blackert)
Application for Site Plan Control, Institutional
160 Henderson Avenue, Thornhill.

A FOURTH REVISED Site Plan Control application has been received from York Region District School Board (Bryan Blackert) c/o MC Architects Inc. (Dominic Battistel) for 160 Henderson Avenue. The applicant is proposing to replace the two existing schools with a new two-storey elementary school including a gym and library. The proposed revisions have been submitted in response to comments from external agencies.

Please review the plans and provide us with your comments by **Thursday, July 30, 2020** including a description of any recent complaints and outstanding deficiencies regarding matters within our jurisdiction. If you do not have any questions or require further information, please complete the lower portion of this form and return it to this department.

If you have any questions or require further information, please contact **Rick Cefaratti** at extension **3675** or via email **rcefaratti@markham.ca**.

() We have reviewed the proposal and have no comments.
